#### THE PATH TO FEDERATION

During the 1890s, each colony sent representatives to special meetings, called convention to try to agree about how to form a new federation.

#### FACTS

First the colonies had to agree that federation was a good idea. Every colony had to agree to the constitution. Once the Parliament had agreed to it the constitution had to be put to a peoples vote. A majority in each state would have to vote yes to it.

#### MORE FACTS

A couple years back some bushmen caught and killed rabbits to eat and sell. Thousands of people lost their jobs because they didn't have enough money. Most children left school early so they could work. Lucky to last the prime minister Joseph Lyons helped Australia out of the Great Depression.

# From the Principal

Dear Parents and Friends of Renmark West,

## Mother's Day Muffin Morning

Last Friday we had an overwhelmingly positive response to our Mother's Day Muffin Morning. We had mums and dads, aunties and uncles, grandmas and grandpas, along with family friends attend. Family members enjoyed spending a little time in their students' classroom seeing some of their student's learning and in some classes, they actually participated in the learning. This was then followed up with tea, coffee and muffins in the hall. Well done to the fundraising committee for organising such a successful event.

## No standing out the front of the school

A big thankyou to the Renmark Paringa council for re-signing the front of the school and clarifying the no-standing areas. This has made the front area of school much safer. The council will continue to monitor the school zone and help clarify with some parents who are still unclear where they can park. All pick ups and drop offs need to be made at the top carpark. Some parents are finding it difficult getting a park in the afternoon however, if you arrive at 3:10 the carpark generally has many parks available. There is a teacher on yard duty at the top carpark until 3:25 if parents want to wait for the afternoon rush to subside.

## Flu season

Already, this year is turning out to be a particularly bad flu season and we encourage you to keep your child home if your child is exhibiting flu like symptoms. These include a runny nose, coughing, excessive tiredness and or a temperature.

**NAPLAN** NATIONAL ASSESSMENT PROGRAM  
Literacy and Numeracy

## NAPLAN

The first of the NAPLAN tests started on Tuesday with writing. The Year 5s and 7s completed this online and the Year 3s completed this on paper. Wednesday was

the reading comprehension test and all three year levels completed this online. Thursday's test will be Language Conventions which is a combination of spelling and grammar. We finish off the testing on Friday with Maths. Students who were absent for a test will have many opportunities to catch up their tests after recess this week and we will also run some catch up sessions on Monday.

## SSO Week

This week is SSO week and the school community would like to thank our SSOs for their outstanding **commitment** to Renmark West Primary School. They constantly support our school and students and their time and effort is greatly appreciated. Thanks to Mrs Andt, Mrs Files, Brigit, Ebony, Steff, Tom, Mrs Pendle, Ms Woolford and Ajit.

## THE EMOTIONAL CUP

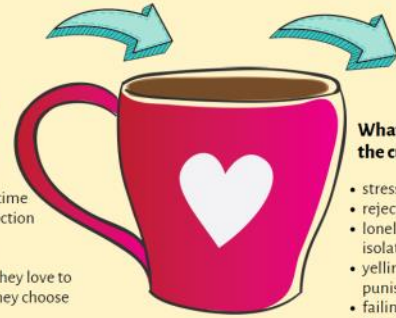

Imagine that every child has a cup that needs to be filled -- with affection, love, security, and attention. Some seem to have a full cup most of the time, or know good ways to get a refill. But most children get a little nervous when their cup gets near empty.

### Some ways that children deal with having an empty cup:

- steal from other people's cups
- misbehave to get your attention and show that they need a refill
- seem to have bottomless cups, or need constant 'topping off'
- can't sit still for refills or actively refuse them
- bounce off the walls when they approach 'empty'
- think they have to fight or compete for every refill

### What fills a child's cup:

- play
- friendship
- one-on-one time
- love and affection
- connection
- succeeding
- doing what they love to do or what they choose to do

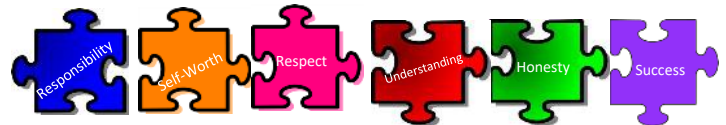

### What empties the cup:

- stress and strain
- rejection by peers
- loneliness and isolation
- yelling and punishment
- failing
- fatigue
- doing what they're forced to do or they hate to do
